

Typhoon Mangkhut

(Advice for the Policy Document effective 12 October 2017; as at 5:00pm on Thursday, 13 September 2018, NZST)

Typhoon Mangkhut (Ompong) is forecast to impact the Philippines and track towards China's southern coast, and is predicted to be the strongest Typhoon this year.

When you have purchased a policy before 4:00pm (NZST) on Thursday 13 September 2018, cover is available where you have no option but to change your travel plans because your service provider cancels or restricts services due to circumstances arising from or related to this event. Where your trip has not yet begun, cover is available for the lesser of rearrangement or cancellation costs.

Where travel has begun and you have no option but to change your travel plans, your policy covers the following benefits when they are listed under the plan you have purchased: medical expenses overseas; travel delay; cancellation costs or additional travel and/or accommodation expenses resulting directly from a provider cancelling or restricting your scheduled public transport services.

For policies purchased after 4:00pm (NZST) on Thursday 13 September 2018, cover is not available for claims arising from or in connection with this event, as this event is now known and no longer unforeseen.

This restriction of cover also applies to any travel plans made or changed after 4:00pm (NZST) on Thursday 13 September 2018 where you are impacted by the event.

Refer to your providers following service interruptions; they can best assist with making alternative arrangements.
